

You've understood the
pattern a hundred times and
it still hasn't moved.

Here's why.

You can understand your
pattern completely and still
be run by it.

Sandro Dalla Torre
@thesunchi

Because understanding lives
in the mind.

The thing itself is held in the
body.

What moves it is a corrective experience: going back to the painful place, feeling what needs to be felt.

Sandro Dalla Torre
@thesunchi

You feel it as fully as you can,
while someone stays present
with you.

You don't manage it, you
don't fix it.

You just meet yourself there.

And the system does the rest.

The energy that was frozen comes back online.
